ABOUT OUR WOOD-FIRED PIZZA:

We use organic wheat flours that are Vermont grown and milled by Nitty Gritty Grain Company (Charlotte, VT). We mix our pizza dough by hand and give it a multi-day bulk fermentation to build flavor. We use only organic tomatoes for our sauce.

Wood-fired pizzas are traditionally rustic, and any charring is characteristic of very high temperature brick ovens.

Folks with food allergies...please let us know. Although we do offer some gluten-free options (GF), we do not operate a gluten-free kitchen.

The State of Vermont wants you to know that eating raw or undercooked meats, poultry, sea-food, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.
